

## **Congresswoman Julia Brownley, CA 26 – Official Short Biography**

Since first being elected to Congress in 2012, Julia Brownley has been focused on the issues that matter most to the working families of Ventura County – and the Conejo Valley.

Congresswoman Brownley proudly serves on the House Committee on Veterans' Affairs, where she is unwavering in her work to make certain that our nation's veterans and their families receive the benefits and care they have earned and deserve, in honor of their service to and sacrifice for our country. As Chair of the Women Veterans Task Force, she has been tireless in increasing visibility, improving equity, and recognizing the service and sacrifice of America's two million women veterans.

As a member of the House Transportation and Infrastructure Committee, Congresswoman Brownley was instrumental in the passage of the Bipartisan Infrastructure Law, which makes the largest federal investment in our nation's infrastructure in decades and lays the foundation for strong economic growth by creating millions of good-paying American jobs.

Because of her long-standing and strong environmental record, Speaker Pelosi chose Rep. Brownley to sit on the Select Committee on the Climate Crisis, which developed the framework for federal action to combat the climate crisis with the urgency this issue demands.

Congresswoman Brownley's top priority has been and always will be working for her constituents. She has worked extremely hard to improve services for veterans, to improve the lives of women and working families, to support small businesses keep their doors open, and to bring federal funding back to the region for important infrastructure and water supply and quality projects.

Rep. Brownley is working to uplift our communities – and working for a stronger and more resilient future for everyone.
