

# Democratic Women's Council of the Conejo Valley Highlights of March 18th Brunch Meeting:

## Women's History Month Tribute & First Time Elected Officials

As president of the Ventura County Women's Forum Collaborative, **Dr. Kim Marra Stephenson** addressed this month's meeting, "We need to do things differently. We need more young people!"

Dr. Stephenson further stated the importance of recognizing the racial injustice and voting rights injustice that exists today.

Another hot button issue that so far doesn't effect California is **Roe vs Wade**. It is and should be a major political issue as one in three American women have already lost abortion access.

Conejo Recreation & Park District Board Member **Marissa Buss**, Agoura Hills City Council Member **Jeremy Wolf** & Conejo Unified School District Trustee-Area 2, **Lisa Powell, DSW**.

These first-time elected officials candidly answered questions about the challenges they face as they embark on their new careers.
